November 03, 2009

Dear Mr. Somervail:

Gold Phoenix is a Wuhan, Hubei, China based manufacturer of printed circuit boards (PCB's ) and electronic assemblies. Pursuant to our discussion and Robert's recent factory visit, I am writing to confirm that we agree to manufacture for Wanderport, subject to order confirmation and subject to our standard terms and conditions. We look forward to reviewing your requirements in detail and in establishing a long and mutual beneficial relationship.

Sincerely,  
John Boucher
